

Water Resources Engineering Department
Final Exams – 2nd Attempt (2017 – 2018)

Class Date	First Year	Second Year	Third Year	Forth Year
Tuesday 04/09/2018	Engineering Mechanics I	Engineering Statistics	Computer Applications in WRE	Foundation Engineering
Wednesday 05/09/2018	Kurdology I	Fluid Mechanics I	Soil Mechanics I	
Thursday 06/09/2018	Introduction in WRE	Mathematics III	Principles of Engg Hydrology	Design of Hydraulic Structures I
Friday 07/09/2018	Mathematics I	Building Construction		WRs Management and Economy
Saturday 08/09/2018	Engineering Drawing	Surveying I	GIS Applications in WRE	Reservoirs & Dams Engineering I
Sunday 09/09/2018	Engineering Geology		Soil Mechanics II	
Monday 10/09/2018	Computer Fundamentals	Concrete Technology	Numerical Methods	Design of Hydraulic Structures II
Tuesday 11/09/2018	Technical English I	Surveying II	Open Channel Hydraulics	
Wednesday 12/09/2018	Computer Programming I	Water Quality and Pollution	Irrigation Principles	Water Supply Engineering
Thursday 13/09/2018		Computer Programming II	Irrigation Systems Design	Quantity Survey
Friday 14/09/2018	Mathematics II		Design of Concrete Structures	
Saturday 15/09/2018	Technical English II	Strength of Materials I	Surface & Subsurface Hydrology	Reservoirs & Dams Engineering II
Sunday 16/09/2018	Engineering Drawing & Descriptive Geometry	Fluid Mechanics II	Engineering Analysis	
Monday 17/09/2018			Theory of Structures	Analysis of WRs Systems
Tuesday 18/09/2018	Engineering Mechanics II	Strength of Materials II		Drainage Engineering
Wednesday 19/09/2018	Academic Debate II	Computer Applications (MATLAB)	Hydraulics of Pipeline Systems	Environmental and Sanitary Engineering
Thursday 20/09/2018		Mathematics IV		

- Examinations start at 9:00 A.M.
- Theoretical and practical exams will perform at the same day.
