Surname: Taha

Forenames: MohammedaminYaseen

Gender: Male

Marital Status: Married.

Date and Place of Birth: 3.04.1971

Amedy, Duhok, Iraq

Specialization: Forest Utilization

Position: College Vice Dean

Scientific Degree: Asisstant Professor

Work Address: Department of Forestry,
Collage of Agricultural Engineering
Sciences, University of Duhok, Duhok,
Sumail, Kurdistan Region, Iraq.

Originally from Duhok Province in the Kurdish part of Iraq (Southern Kurdistan), I was Born 3.04.1971 in Amedy – Iraq. I did my primary, secondary and high school educations in Iran. In 1993 we returned to Kurdistan and were admitted to the university of Duhok and graduated with a BSc. degree in Collage of Agriculture. In 2002, I continued with my education and I did my Master in the field of Forestry, Forest Utilization studies from Dohuk University. Following that, in 2009 I started my Ph.D. in the field of Forest Utilization at the University of Dohuk.

I have been working as a member in Engineering Agronomist Sendicate of Dohuk in Kurdistan Region from 1997 until the present time and as an administrative member of that Sendicate from 2004 until 2012. I have also worked closely in Lab. Assistance from 1998 to 2004 at the College of Agriculture, also in sustain with College as Assistant Lecturer from 2004 to 2009. Also, from 2009 to 2019 as Lecturer, and from 2019 until

the present time as Assistant Professor. Kurdish is my mother tongue and I also speak fluently 3 more languages: Persian, Azeri, Arabic, and English.

LANGUAGE PROFICIENCY

- **Kurdish:** mother tongue.
- **English, Persian, Azeri:** fluent (spoken and written).
- **Arabic:** working knowledge (spoken and written).

PERSONAL EXPERIENCE

- Teaching undergraduate courses in Forest Utilization, and Forest Road Engineering, and Non-Timber Forest Products.
- Teaching postgraduate study course in Adv. Forest Utilization, Wood Drying.
- Supervision of undergraduate students' graduation projects and seminars.
- Supervision of postgraduate students MSc.

EDUCATION

(A) Schooling:

- 1978-1983 Azhdar primary School, Iran- Tabriz.
- 1984-1986 Amin Intermediate School, Iran- Tabriz.
- 1987-1991 Welayet Secondary School, Iran- Tabriz.

(B) University:

- 1993-1997 BSc. study in the Dept. of Plant Production , College of Agriculture, University of Dohuk.
- 2002-2004 MSc. study in the Dept. of Forestry, College of Agriculture, University of Dohuk.
- 2009- 2013 PhD. study in the Dept. of Forestry, specialized in Forest Utilization College of Agriculture, University of Dohuk, Iraq.

ATTENDED CONFERENCES

- The first Agricultural Conference at the Faculty of Agriculture, Dohuk University. October 2012.
- The second Agricultural Conference at the College of Agriculture, Dohuk, University. 26-27 April 2016.

TRAINING AND WORKSHOPS

- April 2004 Arnold BREGSTRASER Institute – Aleppo University
IKARDA- Syria Visiting Researcher collage member University of Dohuk, Kurdistan, Iraq.
- April 2008 ILTES English language course in the cultural center in University of Dohuk, Kurdistan, Iraq.
- April 2009 GIS and Remote Sensing course ITC Netherland in the cultural center in the University of Dohuk, Kurdistan, Iraq.

RESEARCH AND PUBLICATIONS

- Ph.D. entitled “Possibility of sawn board production from (*Eucalyptus Camaldulensis*) growing in Kurdistan Region of Iraq. College of Agriculture, University of Duhok, Iraq 2013.
- M.Sc. Thesis entitled “Air seasoning of Black Poplar (*Populus nigra* L.) wood in Dohuk province. College of Agriculture, University of Duhok, Iraq 2004.
- An economic comparison between two administrative types for peach orchards in Duhok governorate. 2002. JDU. Vol. (5) No. (2), P. 33-43.
- Using the Normal Prices to Determinate the Harvest Revenue and Losses with Regeneration Delay for Poplar Stand in Zakho. Journal of Dohuk University. 12(1)53-57
- Influences of Export Raw and Industrial Wood on Forest Utilization in Selected Countries (Indonesia, Malaysia). Journal of Mesopotamia, University of Mosul.
- Testing of Winter Drying Defects on (*Eucalyptus camaldulensis* Den.) Sawn-Boards. Journal of Dohuk University. 16(1) 53-57.
- Effect of Drying Factors on Properties of (*Eucalyptus camaldulensis* Den.) Boards at Summer Season. 2013, Journal of Dohuk University. 16(2).
- Effects of drying methods and wood sawing on mechanical properties of (*Eucalyptus camaldulensis* Den.) 2014, Journal of Dohuk University. 16(2).
- Some technological properties of sawn board of (*Eucalyptus camaldulensis* Denh.) growing in Askikalak. 2015, Journal of Zakho university. 16(2).

- Suitability of *Eucalyptus camaldulensis* dehn. growing in Kurdistan region of Iraq for the sawn lumber industry, 2015. International Journal of Agronomy and Agricultural Research (IJAAR) Open accesses.
- The determination of lignin content in some tree species for effective biomass utilization.
- Determination of Heating Value of *Quercus Aegilops* and *Populus Nigra* Growing in Kurdistan-Iraq for an Effective Woody Biomass Utilization.
- Study of some wood-charcoal characters produced from some tree species of Duhok Province.

OTHER ACTIVITIES

- Reading, Music, Football Sport ...Others

MEMBERSHIPS

- Member of the Kurdistan Agronomist Syndicate since 1997-present time,
- Member of Teachers Syndicate-Duhok branch, Kurdistan 1998.
- Member of Kurdistan University and Institute Teachers Syndicate since August, 2010
