

Dr. Shekhmous H. Hussen
Assistant (Associate) Professor of Poultry Breeding and
Genetics (Ph.D.; MSc.; BSc)

Highly experienced and skilled Poultry manager

Address: Avrocity, Duhok, IRAQ.

Date of Birth: 20th Jul 1968

Phone: 07508569592

07807307620

Email: shekhmous68@gmail.com

sheikhmous.hussein@uod.ac

Skype: <https://join.skype.com/invite/HcZc15NYCBbU>

Nationality: Syrian

Gender: Male

Highly experienced and skilled individual in the field of poultry breeding, genetics, hatching, rearing and management. Having worked within field of learning, training, teaching and planning in farms, extension centers and academic. Manage farms and work as farmer's guide, since 2000; gained me tremendous skills in communication, managing farmers (breeders) of different backgrounds and different ages and genders. I am very flexible, easy approachable person; always devote myself to my work, duties and responsibilities. I can work and manage under work load pressure and for longer working hours.

WORK EXPERIENCE

Assistant Professor of Poultry Breeding

2013-2020

Ministry of High Education and Scientific Research - Duhok University, KR-Iraq

Responsibility

- Assistant Professor of Poultry Breeding and Genetics at Duhok University (Teaching, learning, training and supervising).
- Worked intensively in studying the ideas of the poultry projects, met those vulnerable farmers, and studied all aspects of the project.
- Knowledge the size of the problem, the workforce and financial budget needs for the local chicken projects, and forwarded the study, recommendations and plans to the ministry of Agriculture.
- Author of curriculum of "Technical Development of Poultry Production Course" prepared specially for GOAL organization in Duhok province (KR-Iraq), to training refugee and village farmers during **2019**.
- Supervisor on 2 private broiler farms in Babelo village-Duhok, during the period from **2016-2019**.
- Coordinated relationships with office of Ministry of Agriculture in the province (Duhok) for field assistance for **2014 & 2018**.
- Representative of Duhok University in workshop on poultry rearing, held by GOAL org., in Jiyan Hotel-Duhok, **2017**.
- Senior Lecturer at vocational Training course on broiler, by directorate of Agriculture, Bagira town-May **2015**.
- Chief of scientific committee of workshop on local chicken production in Duhok, held on Jun 22/**2014**.

International Published Text Book

Supervision and committees

- Member of discussion committee for registering Ph.D. dissertation (Proposal committee) for postgraduate student Narin Nidhammedin; 23/04/2021; University of Duhok, Duhok, KR-Iraq.
- Member in discussion committee of MSc. thesis (equalizer the certificate) of postgraduate student Nizar I. Yousif; 08/04/2021; from Van Yuzuncu Yil University (Turkey), at University of Duhok, KR-Iraq.
- Member in discussion committee of Ph.D. dissertation for postgraduate student Kurdman M. Ali; 11/12/2020; University of Duhok, Duhok, KR-Iraq.
- Member in discussion committee of Ph.D. dissertation for postgraduate student Mohammed Sulaiman; 23/01/2020; Sallah Aldein University, Erbil, KR-Iraq.
- Member of International Editors of Syrian Journal of Agricultural Researches (SJAR), since 3/2019 up to date.
- Supervisor on Technical Training Course (2) held by GOAL org., about Poultry Production projects in Shekhan town during the period from 7/4/2019 – 29/4/2019.
- Supervisor on Technical Training Course held by GOAL org., about Poultry Production projects in Duhok province during the period from 6/3/2019 – 4/4/2019.
- Member of Technical Editors in International Journal of Poultry Science, Bangladesh since 2018 up to date.
- Member in discussion committee of MSc thesis for postgraduate student Taher Dosky; 05/06/2017; Duhok University.
- Member and supervisor in discussion committee of MSc thesis for postgraduate student Jameela H. Saleh; 10/12/2016; Duhok University.
- Supervisor on MSc thesis of postgraduate student Mrs. Jameela H. Saleh in field of Poultry Breeding, titled "Genetic evaluation of three lines of quail in a full diallel cross". It has been discussed & approved in Dec. 2016. Duhok University.
- Supervisor on MSc thesis of postgraduate student Mr. Saifaldeen A. Abdullah in field of chicken production, titled "Effect of replacement soybean protein partially or totally instead of animal protein on layer performance of Lohman hybrid chickens". It has been discussed & approved in Jun 2015. Duhok University.
- Member and supervisor in discussion committee of MSc thesis for postgraduate student Saifaldeen Abdullah; 23/06/2015; Duhok University.
- Member in discussion committee of MSc thesis for postgraduate student Dejeen M. Abdulaziz; 23/06/2014; Duhok University.
- Member in discussion committee of MSc thesis for postgraduate student Nareen S. Nedhamedin; 21/06/2014; Duhok University.
- Member in discussion committee of MSc thesis for postgraduate student Azad H. Ismail; 05/06/2014; Duhok University.
- Supervisor on at least one student (final stage) per academic year (during 2013-2020).

Teaching, Learning and Training

- Teaching and learning the course of Biostatistics for undergraduate students – stage 2 (2018-2019, 2019-2020 and 2020-2021), Agric. Eng. Scie. College, University of Duhok.
- Teaching and learning the course of Data Analysis (including SAS and SPSS software)/ MSc & Ph.D. students – Postgraduate (2013/2014, 2019-2020 and 2020-2021), Agric., college, University of Duhok.
- Training 17 farmers on "Poultry Production projects" Course (2) held by GOAL org., in Shekhan town during the period from 7/4/2019 – 29/4/2019.
- Training 22 farmers on "Poultry Production projects" Course held by GOAL org., in Duhok province during the period from 6/3/2019 – 4/4/2019.
- Teaching course of Advanced Experimental Design and Analysis (including learning the practical sessions)/ postgraduate students – (2015/2016 and 2018/2019), Agric., college, Duhok University.
- Teaching course of Animal Genetics (including learning the practical sessions)/ undergraduate students – (2013-2019), Agric., college, Duhok University.
- Teaching course of Poultry Breeding (including learning the practical sessions)/ undergraduate students – (2013-2019), Agric., college, Duhok University.
- Teaching course of Advanced Poultry Breeding (including learning the practical sessions)/ undergraduate students – (2014-2017), Agric., college, Duhok University.

- Teaching course of Management and Acclimation of Poultry under hot climatic conditions (Advanced course)/ postgraduate students – (2015/2016), Agric., college, Duhok University.
- Teaching course of Quantitative Genetics (including learning the practical sessions)/ postgraduate students – (2015/2016), Agric., college, Duhok University.
- Teaching course of Experimental Design and Analysis (including learning the practical sessions)/ undergraduate students – (2015/2016), Agric., college, Duhok University.
- Teaching course of Principles of Animal Production (including training practical aspects)/ undergraduate students – (2014/2015), Agric., college, Duhok University.
- Teaching course of Animal Breeding (including learning the genetic improvement)/ MSc students – Postgraduate (2013/2014), Agric., college, Duhok University.

Responsibility

- Manager of Training Project for the graduate students. Vocational Training Center. Homs- Syria, Jul **2010**. Administration duties of the bureau and managed all the correspondences.
- Coordinated relationships with office of Ministry of Agriculture in the province (Aleppo) for securing and field assistance (2009-**2010**).
- Participated and played vital role in planning and processing small agricultural projects. Mainly for rural farmers (2008-**2010**).
- Knowledge the size of the problems, the workforce and financial budget needs for the agronomy projects, and forwarded the study and recommendations and plans to ministries of Agriculture and Economy and Interior Trading for approval and was approved (**2009**).
- Worked intensively in studying the ideas of the huge projects of Poultry, met those vulnerable industrial, and studied all aspects of the projects. Mainly that related with hatching, rearing and breeding chickens (**2009**).
- Providing extension support to the rural breeders and other groups of rural people was part of the projects.
- Handling the matter of thousands poor women farmers.
- Planned, organized and delivered vocational training to the girls and women, to enable them to be able to support themselves and their families.
- Distribution of new hatched chicks among the contractor farmers.

Supervision and committees

- Supervisor on at least one student (final stage) each academic year during 2008-**2012**.
- Supervisor on 4 private commercial broiler farms in Aleppo rural (2008-**2012**).
- Member in discussion committee of MSc thesis for postgraduate student Razan Armengian; **2011**; Tishreen University.
- Member in discussion committee of MSc thesis for postgraduate student Fateema Abd; **2011**; Homs University.
- Member in discussion committee of MSc thesis for postgraduate student Muhammad Al- Dakhil; **2011**; Al-Furat University.
- Member of Tenders committee for 3 years in Agric., college, Aleppo University. Having an excellent experience in tenders conditions for agreement or reject the tender (2008-**2011**).
- Member in discussion committee of MSc thesis for postgraduate student Salem Saad; **2010**; Damascus University.
- Supervisor on MSc thesis of postgraduate student Miss. Alaa A. Al-Haj in field of Poultry Breeding, titled "Effect of inbreeding on some morph-productivity characters in second generation of Syrian local chickens –black & brown". It has been discussed & approved in Jun. **2009**. Aleppo University.

Teaching, Learning and Training

- Teaching course of Programming and Statistical Analysis (progress) /postgraduate students (2010-**2012**), including learning the practical sessions.
- Teaching course of Management and Acclimation of Agricultural Animals (progress)/ postgraduate students – (2010/**2012**), including learning the practical sessions.
- Teaching course of Animal breeding and Genetics (progress)/ postgraduate students – (2009-**2012**), including learning the practical sessions.
- Teaching course of Fundamental of animal rearing/ Second stage students (2008-**2012**), including training practical aspects.
- Teaching course of Poultry physiology/ fourth stage students (2008-**2010**), including learning the practical sessions.
- Teaching course of Animal Genetics/ third stage students (2008-**2012**), including practical sessions.
- Teaching and learning the course of Genetic Improvement for Agric. Animals/ fourth stage students (2008-**2012**), including practical techniques.
- Teaching course of Fundamental of animal Production/ second stage students during 2008/**2009** (Edlib- branch Agric., college), including learning the practical sessions.

Conference and symposium sharing and Researches Publishing

Lecturer of Poultry Breeding**2000-2007**

Ministry of High Education- Aleppo University, Syria

Responsibility

- Planned, organized and delivered vocational training to the under and post-graduate students, to enable them to be able to support themselves and their families (2005-2007).
- Distribution of new hatched chicks among the contractor breeders.
- Supervisor on 2 private layer farms in Aleppo rural (2005-2007).
- Coordinated relationships with office of Ministry of Agriculture in the province (Aleppo) for field assistance (2004-2006).
- Providing extension support to the rural breeders was part of the projects (2004-2006).
- Worked intensively in studying the ideas of the small projects of chickens rearing, met those vulnerable breeders, and studied most aspects of the projects. Mainly that related with hatching, rearing and breeding projects (2004-2006).
- Knowledge the size of the problems, the workforce and financial budget needs for the poultry projects, and forwarded the study and recommendations and plans to ministry of Agriculture a for approval and was approved (2005).
- Participated and played vital rule in planning and processing small agricultural projects (2003).
- Co-Manager of Training Projects for the undergraduate students. Vocational Training Center. Raqa- Syria (2002). Administration duties of the bureau and managed most the correspondences.
- Co-Manager of Training Projects for the undergraduate students. Vocational Training Center. Homs- Syria (2001). Administration duties of the bureau and managed most the correspondences.

Supervision and committees

- Supervisor on at least one student (final stage) each academic year during 2000-2008.
- Member in discussion committee of MSc thesis for postgraduate student Mohamad Sheikh Amin; Jul. 2007; Aleppo University.
- Supervisor on MSc thesis of postgraduate student Mr. Mohamad Sheikh Amin in field of Poultry Production, titled "study of some morphological and productivity characters of some local breeds of chicken in north Syria". During the period from 2015-2017, It has been discussed & approved in Jul.2007. Aleppo University.
- Member of scientific committee at Department of Animal Production for 2 successive years (2005-2007).

Teaching, Learning and Training

- Teaching course of Poultry physiology/ fourth stage students (2003-2008), including learning the practical sessions.
- Teaching course of Fundamental of animal rearing/ Second stage students (2002-2008), including training practical aspects.
- Teaching and learning the course of Genetic Improvement for Agric. Animals/ fourth stage students (2000-2008), including practical techniques.
- Training undergraduate students on the new aspects of breeding strategies (2003-2006).
- Training rural breeders on rearing and management of poultry farms within vocational training center (2002-2004).

Conference and symposium sharing and Researches Publishing

EDUCATION & TRAININGS

ICDL Certificate (Computer Training Center)	2008
University of Aleppo - Syria	
Education Vocational Training Course	2002
University of Aleppo - Syria	
English Course (Progress Levels- English Adviser Center)	2001
University of Aleppo - Syria	
Ph.D. in Agricultural sciences (Poultry Breeding)	2000
Ain Shams University- Egypt	
Certificate of Food & Forage Analysis using modern systems	2000
Agricultural Research Center.-Egypt.	
MSc. in Agricultural sciences (Poultry Breeding)	1997
Ain Shams University- Egypt	
Postgraduate Diploma in Animal production	1992
University of Aleppo – Syria	
Bachelor degree in Agriculture (General Agriculture Engineering)	1990
University of Aleppo - Syria	

TECHNICAL SKILLS

- An extraordinary skills and **20** years of experience in the field of supervision and working with farmers.
- Experienced in managing and directing agricultural centers and bureaus with large numbers of staff, students and farmers.
- Excellent computer skills, Microsoft Office (MS Word, MS Excel, MS Power Point and MS Access); internet and emailing.
- Excellent in data analyzing programs (**SAS, SPSS and Genstat software**).
- Management, supervision and monitoring, ability to manage large number of people at a time.
- Excellent planning, organizing and managing projects, mainly agricultural and economical projects.
- Excellent customer service skills, able to negotiate very positively.
- Excellent communications and building professional relationships.
- High ability to work in humanitarian projects and make reports accordingly.
- Positive team member, easy approachable and supportive to my colleagues.

- Volunteer work with farmer's union in Syria.
