EXPERIENCE:

After graduation in 2009. I was employed in the university as a researcher assistant in horticultural laboratory, especially in plant tissue culture, plant physiology, handling & storage and plant breeding. Also I worked in the field of vegetable crops and fruits in the college.

I have experience in pome fruits and experimental design and data analysis in Excel and SAS program.

Application of researches plan in fields

I worked in physical laboratory of quality control of Ibrahim Khalil complex border as a team leader with new standard company (NS-CO)

Also, I have commissioned as a Rapporteur of the Horticulture Department in college of agricultural engineering sciences from 1/7/2018 until now

So, I think that I can to take any required test.

OTHER ACTIVITY:

Traveling, sports “football”, application of researches, reading crime book, and ...
