1. M.Sc. Medical Physiology: thesis title: **(The Effect of Glycosaminoglycans on Renal Stone Formation)**
2. Ph.D. Medical Physiology: thesis title: **(Role of Oxidative Stress on renal stone formation)**
3. Post Doctorate Study: Research title: **(Nuclear Factor of Activated T Cells Is activated in the Endothelium of Retinal Microvessels in Diabetic Mice)**

B. OCCUPATION

1. Current Academic Occupation:

-Staff member of the Department of Physiology and Pharmacology/College of Medicine/University of Duhok (1998-2022).

-Past and current duties in addition to teaching

- a) Leader of the membranes and receptors module (2nd year students) of the session 3 of the Integrated learning system (2018-2021). Duhok medical college is partner with Leicester, UK University and Kufa Iraqi university of the integrated system of medical education.
- b) Member of Urinary System module and Membrane and Receptors module (2019-2023).
- c) Head of the curriculum development committee at the department of physiology (2016-2022).
- d) Coordinator of the continuous education of the department of physiology (2012-2020).
- e) Head of Scientific committee of the department of physiology (2022-2023).
- f) Member of Scientific committee of the department of physiology (2006-2022).
- g) Head of the Physiology Department (2000-2005).
- h) Head of the Examination Committee of Duhok Medical College (2002-2005).
- i) Member of Credit Evaluation Committee (2012-2022)

i. Post graduates teaching:

1. Postgraduate Teaching experience in the Department of Physiology / College of Medicine, Teaching General and general and systematic physiology for: MSc. and PhD Students at departments of Physiology, Pharmacology and Biochemistry since 1999-2020
2. High diploma students at departments of Surgery (urology, anesthesia, Traumatology units) and Gynecology (2010-2012).
3. Board of Kurdistan students at Specialty of general surgery & gynecology (2013-2015).
4. PhD students in specialty: Biomedical Engineering & Medical Physic (2020-2021).
5. MSc Students of the college of Health Sciences in specialty of Anesthesia and Biochemistry (2020-2021).

ii. Under graduates teaching:

1. Teaching human physiology for 2nd year students at College of Medicine (1998-2020).
2. Teaching human Physiology for 2nd year students at college of Pharmacy (2012-2015).
3. Teaching human Physiology for 2nd year students at college of Dentistry (2013-2016).
4. Teaching Exercise physiology for 2nd year students at college of physical education (2006-2007).
5. Teaching human physiology for 2nd year students at college of health sciences (1st course 2016-2017).
6. Teaching human physiology for 3rd year students at college of health sciences (1st course 2018- 2019).
7. Teaching human physiology for 2nd year students at college of health sciences (1st & 2nd courses 2017-2019).
8. Teaching physiology and anatomy for 1st year students at Ararat Institute/Pharmacy department 2018-2019).

iii. Additional Experiences:

- a) Experience in Kidney stones analysis by different methods including: Electron microscopy diagnosis, semiquantitative chemical analysis, X-ray Diffraction and fluorescence techniques.

- b) Experience in Spirometry; lung function measurements, experience doing spirometry for patients referred from Azadi teaching hospital for 2 years (2001-2003) and for teaching 2nd year students.
- c) Experience in hematology lab (blood physiology tests), ECG, Vision and Hearing evaluation tests.

2. Previous occupation: (Academic & non-academic)

i. Academic Occupation at University of Mosul:

- 1) Reporter of the department of sport sciences (1989-1992)
- 2) Associate Dean for Student Affairs (1992)
- 3) Head of the department of sport sciences for two time during 1993 and 1995
- 4) Teaching experience at the department of sport Sciences from 1988-1997:
 - a. Teaching exercise physiology for 2nd year students.
 - b. Teaching sport medicine for 3rd year students.
 - c. Teaching athletic nutrition for 4th year students.

ii. Nonacademic Occupation:

Membership of Mosul Military hospital /laboratory medical staff, for two years' mandatory military serving from 1/10/1986 till 8/10/1988, military hospital:

- a) Serological Lab Unit (18 months).
- b) Blood Bank (3 months).
- c) Bacteriological lab (3 months).

3. Committee membership

	Committee	Place of issuing the committee official document	Issue No and date	Duties of the committee
1	Head of Exam. Committee	College of Medicine	2002-2005	Arrangement of examinations of all the six stages of medical college
2	Scientific title granting committee	College of Medicine	2001-2004	Evaluation of MSc and PhD holding graduates who enrolled to be a university teachers
3	Department of physiology Scientific Committee	College of Medicine	2002-2019	Member
4	Curriculum development Committee	Department of physiology/College of Medicine	2016-2019	Head
5	Credit Evaluation Committee	College of Medicine	2014-2021	Arrangement of students transferred from other medical colleges or universities and select the stage at which the student started in our college
6	Leader of Membranes and Receptors Module / Integrated learning System Committee	College of Medicine	2019-2022	Arrangement of the large groups lectures and small groups tutorial and discussion of the membranes and receptors module /S3 for 2 nd year students
7	Member of Urinary Modules	College of Medicine	2019-2022	Teaching basic physiology lectures for S4 students

4. Administrative and academic positions

	Position	Place	Issue No and date	Roles and duties
1	Leader of Membranes and Receptors Module / Integrated learning System Committee	College of Medicine /Duhok University	2019-2021	Organization of large and small groups medical lectures with 11 tutors present as members in the MR module
2	Credit Evaluation Committee	College of Medicine	2014-2021	Member
3	Head of Physiology Department	College of Medicine	2000-2005	Head of department
4	Reporter of the department of sport sciences	College of Physical Education	(1989-1992)	Reporter
5	Associate Dean for Student Affairs	College of Physical Education	Feb-Sept. 1992	Associated Dean
6	Head of the department of sport sciences (for two time)	College of Physical Education	during 1993 and 1995	All the duties of the Head of department

5. Academic Honors and Awards

	Place	Issue No. and date Roles and duties	Reason
1	Presidency of the university of Mosul	No 279 in 22/9/1991	letter of appreciation for excellent(90-100) evaluation in academic teaching among university teachers
2	Dean of the Physical education college/ university of Mosul	No 318 in 14/1/1992	Letter of appreciation for the Scientific effort in teaching 3 different courses for 1st, 2nd and 4th stages
3	Dean of the Physical education college	No 2113 in 6/9/1992	letter of appreciation for academic effort that presented during the associated dean position
4	Dean of the Physical education college	No 57 in 10/1/1996	letter of appreciation for the effort in the Medical committee of Students health and fitness evaluation for those applying for admission to 1st year study
5	Dean of the Physical education college	No 16082 in 11/11/1997	letter of appreciation for the effort in the committee of tables arrangement of 4 college stages
6	Dean of the Physical education college	No 845 in 28/3/1993	letter of appreciation for the scientific efforts spend in the arrangement and lecturing of the Sport Medicinal Symposium
6	Head of foundation of the Kurdistan Technical institutes; dr. Kauther Aziz	No 551 in 20/3/2004	Letter of appreciation for the scientific effort that help in teaching their institute students
7	Dean of the Duhok Technical institutes, dr. Jamal Tahir	No 7/3/425 in 18/4/2004	Letter of appreciation for helping in the medical practical spirometry for PhD research work
8	Dean of the college of Medicine, dr. Arif Balatay	2012	Letter of appreciation for the higher rank in CAD
9	Dean of the college of Medicine	2016	Letter of appreciation for the higher rank in CAD
10	Dean of the college of Medicine	2017	Letter of appreciation for the higher rank in CAD
11	Presidency of the university of Duhok	2018	The presidency of the university of Duhok honour all Professors Staff with Scientific Medal

12	Ministry of Higher Education and Scientific Research	2019	The Prime of Ministry of Higher Education and Scientific Research honour for all Professors Staff with Scientific Medal
13	Presidency of the university of Duhok	2020	The presidency of the university of Duhok honor all University Staff with Scientific Medal
14	Assistant president of the Duhok university for scientific affairs	2021	higher marks for continuous education evaluation staff including students' feedback
